

Student Name: Ryan Stoffel

## The Oath

*I solemnly pledge and agree, first, to do no harm with the software/skills entrusted to me; to not knowingly adopt any harmful practice, nor to adopt any practice or tool that I do not fully understand. With fervor, I promise to abstain from whatever is deleterious and mischievous.*

*I will do all in my power to expand my skills and understanding, and will maintain and elevate the standard of my profession. With loyalty will I endeavor to aid the stakeholders, to hold in confidence all information that comes to my knowledge in the practice of my calling, and to devote myself to the welfare of the project committed to my care.*
